EAST AFRICAN AGRICULTURAL AND FORESTRY JOURNAL

INDEX TO VOLUME XXIX—1963-1964

PAGE

Additives, a study in the decomposition of *Cyperus papyrus* in the swamps of Uganda, in natural peat deposits as well as in the presence of various (S. A. VISSER) 29.268

Alluvial sites. II. Techniques for dry. Reseeding denuded land in Baringo District, Kenya. (D. J. PRATT) 29.243

American bollworm *Heliothis armigera* (Hub.) (Noctuidae), a note on the incidence of, in sorghum (H. DOGGETT) 29.348

Amino acid content of feeding-stuffs in East Africa. I. The amino-acid content of eleven East African feeding-stuffs. (L. H. GREENWOOD-BARTON, B. H. BARNES, T. P. A. MELLON and W. J. A. PAYNE) 29.237

Andropogon gayanus var. *bisquamulatus*, root distribution of (B. N. BOWDEN) 29.157

Animals, haemoglobin types in (D. H. L. ROLLINSON) 29.1

Animal husbandry, relation of, to human nutritional needs in East Africa (W. J. A. PAYNE) 29.17

Antestia bug in Kenya, testing new insecticides against (T. J. CROWE) 29.265

Anthelmintics Haloxon and Thiabendazole in Merino lamb and weaner sheep, a comparative field trial of the (J. BERGER) 29.199

Anthelmintics Haloxon and Thiabendazole in sheep, a small controlled trial of the (S. F. BARNETT, J. BERGER and C. RODRIGUES) .. 29.195

Army worm (*Laphygma exempta*), notes on the damage by, to grass species at Kitale, Kenya (A. V. BOGDAN) 29.120

Ascotis selenaria reciprocaria Walk (Lepidoptera: Geometridae) the giant looper (P. E. WHEATLEY) 29.143

Bamboo as a cattle feed, the uses of (R. A. AYRE-SMITH) 29.50

Biting Ants, *Macromischoides aculeatus* Mayr. (Formicidae), the control of, on robusta coffee (D. N. MCNUTT) 29.122

Bush-cricket, *Homorocoryphus nitidulus vicinus* Walker, (Tettigoniidae) the (G. SWAINE) .. 29.340

Cassava, mosaic disease in Uganda (J. D. JAMESON) 29.208

Catena Tanganyika, some data on (W. E. CALTON) 29.173

CATTLE—

Ankole long-horned, calvings and calf mortality in (F. WILSON) 29.178

The birth-weights and gains in weight to six months of age of Uganda cattle (H. J. S. MARPLES) 29.39

Browsing behaviour, a brief study of, in a semi-arid area of Tanganyika (W. J. A. PAYNE and J. S. MACFARLANE) 29.131

Calf mortality and calvings in Ankole long-horned cattle (F. W. WILSON) 29.178

Calvings and calf mortality in Ankole long-horned cattle (F. W. WILSON) 29.178

Cattle and coconuts, balanced farming with (A. H. B. CHILDS and C. G. GROOM) .. 29.206

Cattle-feed, the use of bamboo as a (R. A. AYRE-SMITH) 29.50

Grade dairy, in a tropical climate, observations on the grazing behaviour of (J. R. GOLDSON) 29.72

The maintenance of milk yield in dairy cattle in Kenya (P. J. LARKIN) 29.261

Chemical composition and nutritive value of grasses from semi-arid areas of Karamoja as related to ecology and types of soil (R. M. BREDON and J. WILSON) 29.134

Cladocera of the Zanzibar area of the Indian Ocean with a note on the comparative catches of two plankton nets (J. H. WICKSTEAD) 29.164

PAGE

Clover and lucerne, the effects of applied phosphate and gypsum on the productivity of (R. G. POULTNEY) 29.106

Coconuts and cattle, balanced farming with (C. G. GROOM) 29.206

Coffee—

Berry disease, screening of coffee for resistance to (I. D. FIRMAN) 29.192

The control of "Biting Ants" *Macromischoides aculeatus* Mayr. (Formicidae) on robusta (D. N. MCNUTT) 29.122

The giant looper *Ascotis selenaria reciprocaria* Walk. (Lepidoptera: Geometridae) (P. E. WHEATLEY) 29.143

Measurement of growth in. I. A preliminary comparison of methods (J. DANCER) .. 29.319

Screening of, for resistance to berry disease (I. D. FIRMAN) 29.192

Weed control in robusta coffee in Uganda, improved methods of (B. BUTTERS and D. E. H. CLEGG) 29.67

Cotton, experiments on using DDT miscible liquids in Eastern Uganda in the period 1959–1963 (J. C. DAVIES) 29.343

Cover crop, a comparison of direct seeding and undersowing on the establishment of grass and the effect on the (R. G. POULTNEY) .. 29.26

Cultivation of rice land between successive rice crops, further experiments on (B. G. C. SMITH) 29.333

Cyperus papyrus, a study in the decomposition of in the swamps of Uganda, in natural peat deposits as well as in the presence of various additives (S. A. VISSER) 29.268

Control—

Couch in wattle plantations in West Kenya, the effects and control of (J. M. GOSNELL) .. 29.7

Weed in robusta coffee in Uganda, improved methods of (B. BUTTERS and D. E. H. CLEGG) 29.67

DDT miscible liquids, experiments on using, on cotton in Eastern Uganda in period 1959–1963 (J. C. DAVIES) 29.343

Disease, cassava mosaic in Uganda (J. D. JAMESON) 29.208

Ecology and types of soil, the chemical composition and nutritive value of grasses from semi-arid areas of Karamoja as related to (R. M. BREDON and J. WILSON) 29.134

Egg production in Uganda, the cost of (J. C. M. TRAIL) 29.62

Eretmoceros serius Silv. (Hymenoptera: Eulophidae) the successful establishment of, in Kenya (P. E. WHEATLEY) 29.236

Feeding stuffs in East Africa, the importance of the amino-acid content of. I. The amino-acid content of eleven East African feeding stuffs (L. H. GREENWOOD-BARTON, B. H. BARNES, T. P. A. MELLON and W. J. A. PAYNE) .. 29.237

Fertilizer—

A note on the late application of nitrogenous fertilizer on hay quality (M. A. OWEN) .. 29.322

Mechanical application of fertilizer to sisal (I. CONSTANTINESCO) 29.330

Forest, vegetation of the South West Mau (O. KERFOOT) 29.295

Grass—

A comparison of direct seeding and undersowing on the establishment of, and the effect on the cover crop (R. G. POULTNEY) 29.26

Grasses from semi-arid areas of Karamoja as related to ecology and types of soil, the chemical composition and nutritive value of (R. M. BREDON and J. WILSON) 29.134

Kikuyu grass and wattle trees, the root distribution of (P. H. HOSEGOOD) 29.60

PAGE

Species at Kitale, Kenya, notes on the damage by army worm (*Laphygma exempta*) to (A. V. BOGDAN) 29.120
Grazing behaviour, observations on the, of grade dairy cattle in a tropical climate (J. R. GOLDSON) 29.72
Grazing, a stocking-rate trial on rough, in Buganda—results of 2nd year (K. W. HARKER) 29.63
Gypsum, and applied phosphate, the effects of on the productivity of lucerne and clover (R. G. POULTNEY) 29.106
Haemoglobin types in animals (D. H. L. ROLLINSON) 29.1
Hay quality, a note on the effect of a late application of nitrogenous fertilizer on (M. A. OWEN) 29.322
Heliothis armigera (Hub.) (Noctuidae), a note on the incidence of American bollworm in sorghum (H. DOGGETT) 29.348
Homorocoryphus nitidulus vicinus Walker (Tettigoniidae), the Bush Cricket (G. SWAINE) 29.340
Human nutritional needs in East Africa, relation of animal husbandry to (W. J. A. PAYNE) .. 29.17
Insecticides, testing new against Antestia bug in Kenya (T. J. CROWE) 29.265
Kenya—
The effects and control of couch in wattle plantations in West Kenya (J. M. GOSNELL) 29.7
The maintenance of milk yield in dairy cattle in Kenya (P. J. LARKIN) 29.261
Reseeding denuded land in the Baringo district, Kenya (D. J. PRATT) 29.78
Kenya roughages, silica distribution in (H. W. DOUGALL) 29.58
The successful establishment of *Eretmoceros serius* Silv. (Hymenoptera: Eulophidae) (P. E. WHEATLEY) 29.236
Testing new insecticides against Antestia bug in Kenya (T. J. CROWE) 29.265
Land—
Denuded, reseeding in Baringo District, Kenya. I. Preliminary Trial (D. J. PRATT) 29.78
Denuded, reseeding in Baringo District, Kenya. I. Preliminary Trial, Corrigenda to (D. J. PRATT) 29.259
Denuded, reseeding in Baringo District, Kenya. II. Techniques for dry alluvial sites (D. J. PRATT) 29.243
Some aspects of land utilization in Uganda (A. S. MACDONALD) 29.147
Looper, the giant coffee, *Ascotis selenaria reciprocaria* Walk (Lepidoptera: Geometridae) (P. E. WHEATLEY) 29.143
Lucerne and clover, the effects of applied phosphate and gypsum on the productivity of (R. G. POULTNEY) 29.106
Maize yields, the effect of time and planting on (J. R. GOLDSON) 29.160
Manganese. II. Trace elements in some East African soils and plants (G. T. CHAMBERLAIN and A. J. SEARLE) 29.114
Merino lamb and weaner sheep, a comparative trial of the anthelmintics haloxon and thiabendazole in (J. BERGER) 29.199
Milk yield, the maintenance of, in dairy cattle in Kenya (P. J. LARKIN) 29.261
Milk Yields in relation to pasture composition (E. M. KIDNER) 29.125
Millet and sorghum in the Machakos district (B. D. DOWKER) 29.52
Mosaic disease, cassava, in Uganda (J. D. JAMESON) 29.208
Nutritional human needs in East Africa, relation of animal husbandry to (W. J. A. PAYNE) .. 29.17
Nutritive value and chemical composition of grasses from semi-arid areas of Karamoja as related to ecology and types of soil (R. M. BREDON and J. WILSON) 29.134
Ox-drawn toolframes, development of (I. CONSTANTINESCO) 29.187
Pasture composition, milk yields in relation to (E. M. KIDNER) 29.125
Pasture introduction I. Vleiland development in West Kenya (J. M. GOSNELL) 29.99
Phosphate and gypsum, the effects of applied, on the productivity of lucerne and clover (R. G. POULTNEY) 29.106

PAGE

Plankton nets, Cladocera of the Zanzibar area of the Indian Ocean with a note on the comparative catches of two (J. H. WICKSTEAD) .. 29.164
Plants and soils, trace elements in some East African. II. Manganese (G. T. CHAMBERLAIN and A. J. SEARLE) 29.114
Pinus radiata in Kenya, a volume table compilation for (W. G. DYSON, J. S. G. MCCULLOCH and E. S. WAWERU) 29.326
Rice crops, further experiments on the cultivation of rice land between successive (B. G. C. SMITH) 29.333
Rough grazing in Buganda, a stocking rate trial on—results of 2nd year (K. W. HARKER) .. 29.63
Sheep, a comparative field trial of the anthelmintics haloxon and thiabendazole in merino lamb and weaner sheep (J. BERGER) 29.199
Sheep, a small controlled trial of the Anthelmintics Haloxon and Thiabendazole in (S. F. BARNETT, J. BERGER and C. RODRIGUES) .. 29.195
Silica distribution in Kenya roughages (H. W. DOUGALL) 29.58
Sisal hybrid No. 11648, the zebra complex of (P. K. S. CLINTON and W. T. H. PEREGRINE) .. 29.110
Sisal, mechanical application of fertilizer to (I. CONSTANTINESCO) 29.330
Soils and plants, trace elements in some East African. II. Manganese. (G. T. CHAMBERLAIN and A. J. SEARLE) 29.114
Soil and ecology, types of, the chemical composition and nutritive value of grasses from semi-arid areas of Karamoja as related to (R. M. BREDON and J. WILSON) 29.134
Sorghum, a note on the incidence of American bollworm *Heliothis armigera* (Hub.) (Noctuidae) in (H. DOGGETT) 29.348
Sorghum and millet in Machakos district (B. D. DOWKER) 29.52
Stocking-rate trial on rough grazing in Buganda: results of 2nd year. (K. W. HARKER) 29.63
Swamps of Uganda, in natural peat deposits, as well as in the presence of various additives, a study in the decomposition of *Cyperus papyrus* in the (S. A. VISSER) 29.268
Sweet Potato crop in Uganda, the (D. T. A. ALDRICH) 29.42
Termites, the protection of living trees against attack by (W. WILKINSON) 29.337
Thiabendazole and Anthelmintics Haloxon in Merino lamb and weaner sheep, a comparative field trial of the (J. BERGER) 29.199
Thiabendazole, a small controlled trial of the Anthelmintics Haloxon and, in sheep (S. F. BARNETT, J. BERGER and C. RODRIGUES) .. 29.195
Toolframes, development of ox-drawn (I. CONSTANTINESCO) 29.187
Trace elements in some East African soils and plants. II. Manganese (G. T. CHAMBERLAIN and A. J. SEARLE) 29.114
Trees living, protection of, against attack by termites (W. WILKINSON) 29.337
Trifolium spp. African, the symbiotic specialization of relation to their taxonomy and their agronomic use (D. O. NORRIS and L. 'T MANNETJE) 29.214
Vegetation of the South West Mau forest (O. KERFOOT) 29.295
Vleiland development in West Kenya. I. Pasture introduction (J. M. GOSNELL) 29.99
Wattle—
Wattle bark, a consideration of factors effecting quality in (J. L. ELMER, J. M. GOSNELL and R. G. SMITH) 29.350
Wattle dieback in East Africa, the role of boron and rainfall on the incidence of a (J. L. ELMER, J. M. GOSNELL and J. M. STARK) 29.31
Wattle plantations in West Kenya, the effects and control of couch in (J. M. GOSNELL) .. 29.7
Wattle trees and Kikuyu grass, the root distribution of (P. H. HOSEGOOD) 29.60
Weed control in robusta coffee in Uganda, improved methods of (B. BUTTERS and D. E. H. CLEGG) 29.67
Zebra complex of sisal hybrid No. 11648 (P. K. S. CLINTON and W. T. H. PEREGRINE) 29.110
